

# Juniper Spring Newsletter

Welcome back! We hope you all had a happy and healthy Christmas and New Year. We are looking forward to lots of exciting activities this term. This term's topics will be 'Food' and 'Pirates'. During the coming weeks we will be tasting lots of different foods from around the world. We will also be making our own pizzas.

During the 2<sup>nd</sup> half of the term we will be having a pirates dressing up day with lots of fun activities planned. Details of this will follow later.

We have lots of new and exciting reading books in school. It will benefit your child greatly if they read regularly and change their reading book 3 times a week. Please remember we cannot change their book if the white reading record book has not been signed. Each time your child changes their book they receive a raffle ticket and then a winner is drawn at the end of each week. Regular readers also receive weekly certificates.

Just a gentle reminder please to ensure all school clothes/shoes and P.E kit are named. We seem to have lots of unnamed items in the classroom from last term. With the weather getting colder, it is advisable that your child has a warm coat in school every day. A hat and gloves will also help to keep them warm.

We had some amazing homework handed in last term. Please make sure it is always done in pencil not pen and that it is handed in by Thursday. The homework that is set is reinforcing what has been learnt in class that week so it is important that it is completed.

Many children are also progressing really well with the words in their word wallets-well done! These need to be kept in the wallet and sent into school every day in your child's book bag. Practising them regularly will considerably aid progress in reading.

If you would like to see what your children have been doing at school then please log into your tapestry account. Anyone who is experiencing problems with this, please come and see us. We value the contributions that have been put on at home - thank you.

The school website is a useful source of information should you need to know what is happening in school and when.
