

Dear parent/carer

Here is a list of phonics websites where your child can access a variety of games. This may be helpful to use when the children have finished their homework and want something extra to work on. We play a lot of these games in our phonics lessons, so the children should know how to play them.

All of the games below can be found at -

'Loo', cover, write, check

http://www.ictgames.com/looCoverWriteCheck/LCWC_demo/index.html

- a fun way to practice spelling those tricky words and high frequency words.

Blending Dragon

<http://www.ictgames.com/blendingDragon/index.html>

Catch the real words and the nonsense words with the dragon.

The Dinosaurs egg's

http://www.ictgames.com/dinosaurEggs_phonics/index.html

Listen to the word, and then choose the correct egg.

Letters and Sounds Bingo

http://www.ictgames.com/blendingBingo_LS.html

Print the cards and play a game of bingo.

Phonics Play

On this website, there are a lots of phonics games to choose, just look for the ones that are free to use.

I hope you all find this useful.

Have fun.

Mrs Ogden
