

# Cross Country

On Monday 1<sup>st</sup> February 2016 twelve members of our running club attended the Cross Country competition at William Lovell Secondary School.

A record number of schools entered the competition this year. We were placed in the large schools category against 8 other schools.

The boys' team finished 5<sup>th</sup> overall.

The girls' team finished 3<sup>rd</sup> overall.

One of our runners was awarded 3<sup>rd</sup> place and received a Bronze Medal!

All the children were amazing!
