

# Donington Cowley Endowed Primary School.

## Acceptable Use Policy.

- The purpose of Internet access in school is to raise the educational standards, to support the professional work of the staff and to enhance the school's management information and business administration systems.
- The school encourages use by pupils of the rich information resources available on the Internet, together with the development of appropriate skills to analyse and evaluate such resources.
- Internet access is a necessary part of the statutory curriculum.
- It is an entitlement for pupils based on responsible use.
- Parents will be informed that pupils will be provided with supervised Internet access and will be asked to sign and return a permission form.
- Pupils will have the school rules on Internet use explained to them and they will also sign an Internet use contract.
- In Key Stage 1, the majority of the access will be by teacher or adult demonstration. However, there may be situations when children have supervised access to specific approved on-line materials.
- At Key Stage 2, Internet access will be granted to a whole class as part of a scheme of work.
- The school will disallow any individual pupils if they persistently break the school's rules.
