

In February 2018 Matthew Haslam from the Boston and School Sports Partnership came to our school to teach Bocchia to Elm, Maple, Beech, Chestnut and Rowan Classes.

Bocchia is a precision ball sport, related to bowls and pétanque. The name "bocchia" is derived from the Latin word for "boss" –bottia.

The sport is contested at local, national and international levels, by athletes with severe physical disabilities

All classes thoroughly enjoyed learning this new sport!

Well done everyone!
