

Sports Hall Athletics Report

On Friday 13th January 2017 we took 19 pupils from Years 3 and 4 to the Sports Hall Athletics competition organised by Boston & District School Sport Partnership. The children were so excited but nervous at the same time.

Having warmed up, our team was raring to go! We made a fantastic start by comfortably winning both of the first races. We continued to produce amazing performances all round gaining many first places. There was no stopping both the boys and girls in the speed bounce event. We were amazed at how many bounces the children were able to do in such a short space of time! We also did very well in the field events, particularly the javelin. Miss Jones even got to have a go!

Once all the events had been completed we waited patiently to hear the results. They were announced in reverse order. 6th (212), 5th (234), 4th (262), 3rd (264)...

By this point we were getting very excited and when they announced Stickney had come 2nd with 290 points, we realised we had won! Wow! Not only had we come first but had won by 48 points! What an amazing result. Congratulations to everyone who took part. You truly deserved to win and were a credit to our school. Well done! Another trophy for the shelf!

Mrs Farrow and Miss Jones

CONGRATULATIONS
