

Sycamore's Class Trip

On Wednesday 6th July, as part of our Zoom topic, Sycamore went on their trip to Nene Valley Railway, Wansford. What a fabulous day we had!

It was very exciting to see and do so many things. We climbed in engines, went in the signal box and got to go to the engine workshop. We learned all about the impact of the railways. We saw Thomas the Tank Engine and went for a ride on a train while we had our lunch.
