

Football Tournament

On Thursday 10th November 2016 we took a squad of 10 children from Year 5 and 6 to a 7 a side football tournament. This was part of the Boston and District Schools Sports Partnership.

It was a cold and drizzly day but we were ready for the challenge ahead.

After losing our first 2 matches we held our heads high and battled on. We began to show some good skill

and worked well as a team. This paid off when Rupert scored a fantastic goal in our 3rd match against Swineshead to win the game 1-0. Having never played in goal before Reece P was amazing. We couldn't have been prouder! Spurred on by our first win we were determined to win again. Some excellent defending and great passing led to Rupert scoring an equalizer in the final minute of our game against Butterwick A. We had several chances to score in our 5th game against Butterwick B but it was a fantastic pass from Reece R that led to Freddie slotting the ball into the net to give us a 1-0 win. Our final match against Kirton B ended in

us losing 1-0 but every team member gave their best and many of our shots were saved by the opposing team's goalkeeper.

We came 5th overall but showed great sportsmanship and had an enjoyable morning. Well done to all involved!

Mrs Farrow and Miss Jones
