

World Book Day in Sycamore Class

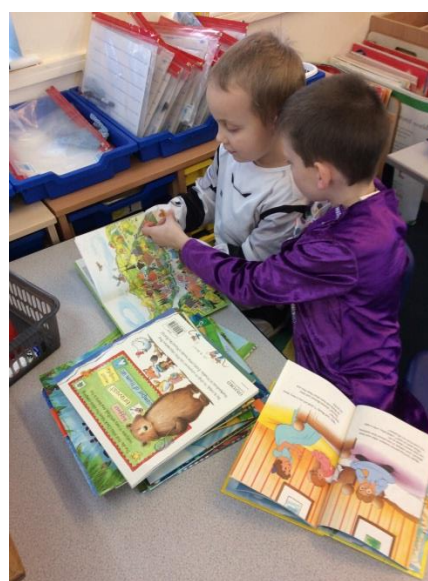

Friday March 9th 2018

We had lots of fun dressing up as some of our favourite book characters. We dressed up as: the Gruffalo, Willy Wonka, Wonder Woman, Harry Potter, Rapunzel, Snow White, Horrid Henry and many more.

Can you guess which books we were from?

Throughout the day, we enjoyed different book-related activities. We explored the many wonderful books in our classroom 'Book Nook' and drew character selfies. We visited different classrooms around school where we listened to book extracts read aloud by the adults in our school. We thought about the characters in the books that we know and discussed our favourite books that we love to read or have read to us.

It was a fun World Book Day!
