

## Basketball Tournament

On Tuesday 18<sup>th</sup> October, an excited Elm class set off for Thomas Cowley High School for a basketball tournament.

The tournament was organised by the Year 9 students as part of their BTEC award.

The sports leaders divided the children into teams of colours and began with a few warm up games. This was followed by basketball skills and mini matches to finish.

Elm class really enjoyed the session. They were engaged from the start and learned new sports skills. The Year 9 sports leaders were fantastic. It was especially good to see some ex Donington pupils taking the lead and providing excellent role models as good sportspeople. We felt very proud of them.

At the end of the session Elm class were awarded certificates as part of a prize giving ceremony.

(Mrs Thompson)

*The tournament was fantastically organised by the Year 9 students. We thought they were amazing. (Ruby)*

*My favourite part was when I scored! (Alex)*
